Good Morning Jesse,

Attached is the Final 2018 GLOEMMP. This revised version includes a reference to the potential LNAPL observed in CTL MW-5. I also made some changes to the timeframe for the Park opening, the land use restriction GIS layer creation, and generation of the Parks' / Public Works' O&M Plan. Those edits are visible in the Word file attached.

Please let me know if you have any questions.

Regards, Kara
